PROFESSIONAL EXPERIENCE

UNIVERSITY OF SOUTHERN CALIFORNIA

Los Angeles, CA

Animator

Dec 2021–Feb 2023

- Collaborated with the multimedia team to deliver 96 key concept videos for Bovard College MS Emergency Management, successfully launching the program in Fall 2022.
- Utilized various visual elements, including lower thirds, character animation, infographics, stock footage, and typography, to enhance learning outcomes and facilitate better understanding for students.
- Efficiently managed a comprehensive library of assets on Adobe Libraries and Dropbox to optimize production and ensure seamless workflows.
- Actively engaged with stakeholders, providing regular updates and incorporating feedback to meet delivery goals effectively.

STUDIO B FILMS

Berkeley, CA

Intern to Freelance Animator

Aug 2019–June 2022

- Animated visually compelling advertisements for esteemed tech companies including Adobe, Salesforce, and others. Provided flexible assistance across various stages of production as needed.
- Implemented effective file server organization to enhance collaboration efficiency between internal and external art teams, ensuring seamless workflows and streamlined project management.
- Demonstrated a keen understanding of client branding guidelines, animating and designing assets from style frames, resulting in cohesive and brand-consistent visuals
- Completed projects: Adobe CC Libraries, Salesforce CX Demo, Marketo, Moogsoft, Exelixis

ZONILY

Burlingame, CA

Video Production Intern

Feb 2019–May 2019

- Filmed and edited corporate events into promotional content tailored for company social media platforms.
- Transcribed and edited full-length interviews into concise and engaging short videos for the company's educational platform
